

## World Communications Day 20

### May Ascension Sunday

Today on World Communications Day we are asked to keep those who work in the media in our prayers and there will be a second collection for the Catholic Communications

Network (CCN), the media office

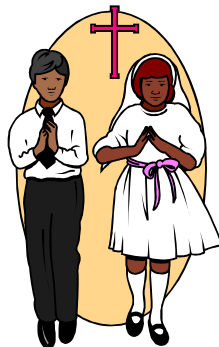

of the Catholic Bishops' Conference of England and Wales. The CCN provides support for the bishops of England and Wales and the Church more widely in promoting the Gospel through the media on current issues, and was responsible for the Church's media coordination of the Papal Visit.

**Please help the CCN to promote the Good News through the media, by your prayers and generosity.**
